

T ALENTED Y OUNG S TARTING - OUT

If you are not working or studying, but are looking for a fresh challenge then we can help!

We are offering you a wide range of opportunities to gain practical experience backed up by nationally recognised qualifications in an area which interests you, in the new **Targeted Youth Support Freestyle** project.

Whatever goals or dreams you may have, volunteering can offer a route to fulfil them.

Our trained advisors will talk with you about your interests, skills and ambitions and look for volunteering opportunities to match.

There is also training available so you can get qualifications alongside your volunteering.

The T.Y.S. programme aims to be flexible to suit your needs and aspirations.

To find out more, txt Steve Roberts on 07968706112 or email stephenr@volunteercornwall.org.uk

Not Convinced?
Why not arrange a taster session with us?
